

BAI-Webinar as part of the BAI “ESG hands-on” series

Theme:

**Responsible investments: how to
select, implement and monitor
Social and Governance aspects in
the investment process.
Perspectives from Private Equity
and Infrastructure experts.**

Date:

**February 3rd, 2020
11:00 a.m. – 12:00 p.m.**

Significant capital is needed to make the world more sustainable and sustainable companies are more likely to generate superior returns across economic cycles. We view ESG factors as key elements of investment return, volatility, and risk mitigation. In this seminar, we will focus on the “S” and the “G”: the key aspects during the investment due diligence process, how to assess them and the implementation in the context of private equity and infrastructure portfolios.
